Make Room for Life®

WHY MORE SPACE PLACE

At **More Space Place**® we deliver custom closet and storage spaces designed around the way you live. Whether you are creating your dream closet or searching for extra room for storage or to work, our design consultants offer endless possibilities to help organize your home, maximize space, and simplify your life.

Our fully adjustable closet and home storage systems are functional, adaptable, and stylish. Our designers will create a custom system that best serves your needs, budget, and personal style. We offer a wide selection of available materials, finishes, and styles in traditional, transitional, or contemporary looks, designed to complement your home.

More Space Place® accessories and features enhance the look and function of your custom design. Constructed with thermally fused ¾" melamine laminate, our systems also feature our exclusive **INVIS-BORE**® adjustment system holes that are 60% smaller than traditional systems. This feature provides all the benefits of adjustability and functionality without the unsightly look of the larger holes used by other companies.

The Beginning

The process begins with a free in-home consultation or a visit to our showroom. Our designers will perform a detailed space needs analysis and will guide you every step of the way to maximize the potential of your closet or storage area.

The Install

Our skilled team of professional installers will treat your home as carefully as their own and construct your system with attention to detail and a spotless clean-up!

The Final Product

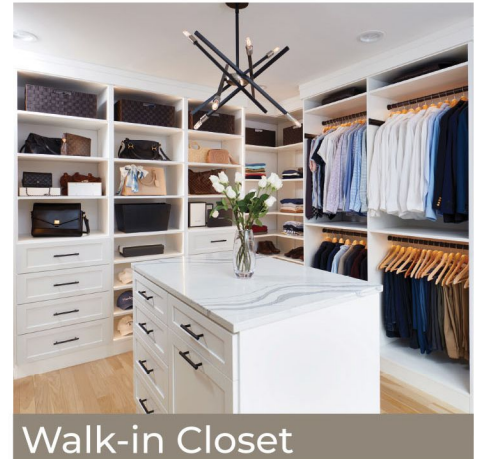

An organized, efficient space reduces stress by increasing the time you have to focus on the things that matter most to you. We provide you with peace of mind by delivering custom spaces designed around the way you live. A **More Space Place**® closet and home storage system is not just a good investment for your home, it's an investment in a better lifestyle.

MORE SPACE PLACE CLOSET SYSTEM

Wall Mounted & Floor Based Systems

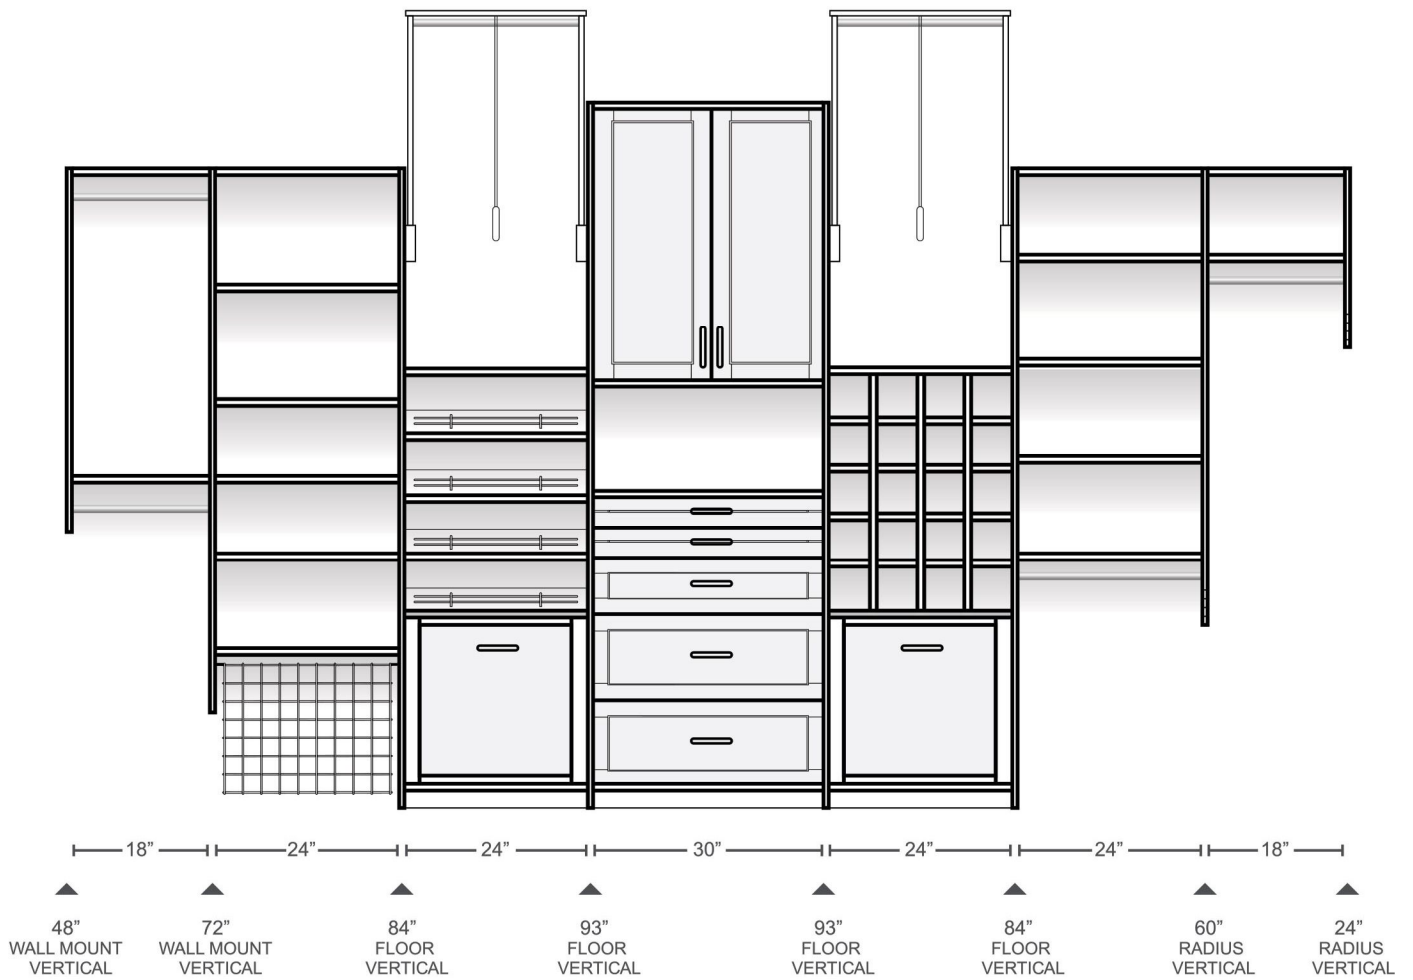

Our rail hung closet system is available in two options. Designed off the floor for more space on your closet floor and allow for easier cleaning, or extend your system to the floor to add strength for extra storage and heavier personal items.

Fixed or Adjustable Shelves & Rods

Our extra-sturdy adjustable shelving and hanging rods adapt as your storage needs change enabling flexibility and maximum use of your space. Single and double-hung closet rods can double, or even triple, your closet storage space.

Sliding & Pullout Accessories

Our accessories are available in a variety of finishes to fit your decor and coordinate with your existing finishes. Accessory racks and baskets provide function and accessibility to keep items organized and in reach.

Closet Depths

12", 14", 19" or 24"

Drawer Dimensions

Width: 18", 24" or 30"
 Depths: 14" or 18"

Door Selection

Our selection of doors and drawer fronts enables you to customize your design to suit your own style. Mullion doors with glass inserts create visible display space while solid doors keep clutter out of site.

Drawer Selection

We offer a range of drawer sizes to customize your space. Choose from varying depths and heights to meet your needs. Full extension slides enable easy access while soft close or touch-release drawers provide an added feature. Our decorative hardware options ensure your design will reflect your unique style.

Designer Styles & Finishes

Combine any of our door and drawer front styles with our wide selection of material finishes. Select designer options like textured grain and embossed finishes for an organic, natural look and feel of real wood. Upgrade the look of your system with optional crown molding, trim, custom countertops, LED accent and task lighting.

PANTRIES & MULTI-PURPOSE ROOMS

Keep the pantry stocked and in-home work areas organized!

A place for everything, and everything in its place.

- Maximize space with easy slide pull-out baskets, organizers, and drawers.
- Coffee and wine bars, hobby and craft areas.
- Enhance function with a custom work space and perfectly suited lighting options.

LAUNDRY & ENTRYWAYS

Organize laundry rooms and keep entryways areas neat!

Overcome the challenge of keeping the most utilized areas of the home organized.

- Custom solutions for supply storage, areas to fold, air dry, and iron clothes.
- Create space to hang coats. Keep shoes off the floor in hallways and entry areas.
- Entry benches, drop zones for keys, bags, coats, and shoes.

GARAGES

Need more space in your garage with room to park the car?

Store home supplies, tools, lawn/garden, sporting equipment, holiday decorations, and beach chairs.

- Cabinets with durable 2mm edge banding. Metal drawer boxes provide added protection against wear and tear.
- Systems are installed off the floor for easy cleaning.
- Add a workbench and slatwall to organize tools, ladders, and hard to store items.

ACCESSORIES

More Space Place closet and home storage product line is fully customizable to fit your individual needs and style. Add accessories to your design to enhance function and maximize space. Mix and match from a wide selection of accessory options in your choice of decorative finishes. Our experienced More Space Place® design staff will work side-by-side with you to help you Make Room for Life®.

Baskets and Hampers

Slide out baskets keep items organized and easily visible. Tilt-out hampers provide a place for dirty laundry to remain out of site.

Mirrors & Ironing Boards

Pullout mirrors and ironing boards are conveniently stored and easily accessible when needed.

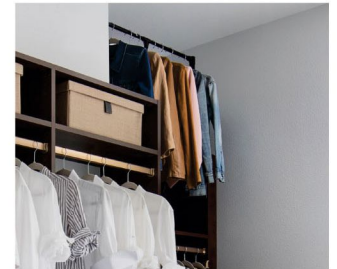

Accessory Racks

Sliding accessory racks enable belts, scarves, ties to be organized and neat. Pull-out valet rods, pant and shoe racks enable clothing to be visible for coordinating outfit selections.

Wardrobe Lifts

Wardrobe lifts make use of space while enabling hanging clothing to be pulled down and remain within reach.

Jewelry Drawer Inserts

Plush velvet jewelry trays keep jewelry, watches and personal items organized and safe. Full extension drawer slides enable access and visibility to all compartments.

UPGRADE OPTIONS

Custom Doors & Drawer Fronts

Add a decorative touch with laminate, thermofoil or premium wood doors and drawer fronts. Available a wide selection of contemporary, traditional and shaker styles.

Molding and Trim

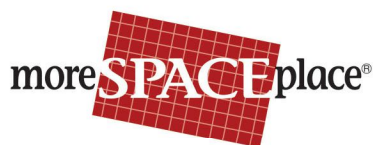

Finish your custom look with thermofoil or premium wood crown molding or trim.

Countertops

Upgrade your design with a countertop in laminate, solid surface or natural material options to fit your design style. Options and finishes available may vary by store.

Lighting

Enhance your space with Accent and Functional LED lighting. Available in a variety of styles and light tones.
